

Shruti Satheesh

sshruti16@gatech.edu | <https://www.linkedin.com/in/shruti-satheesh/> | U.S. Permanent Resident

EDUCATION

Georgia Institute of Technology

Cumulative GPA: 3.72/4.00 | May 2028

B.S. Industrial Engineering (Economic & Financial Systems) | Minor in Computer Science

- **Coursework:** International Financial Economics, Data Input/Manipulation, Probability with Applications
- **Organizations:** Investments Committee (AUM \$2.6M), Trading @ Georgia Tech (commodities analyst), Physics TA

EXPERIENCE

Delta Air Lines | *Incoming In-Flight Services, Resources, and Analytics Intern*

Aug 26 - Dec 26

Greystone: Real Estate Finance and Investment Company | *Pro-Bono Finance Analyst*

Jan 26 - May 26

- Engineered a 3-pass LLM pipeline to automate structured data extraction from 11,000+ annual borrower financial documents
- Achieved ~99% accuracy on CSV/Excel formats; Benchmarked OpenAI, Claude, and Gemini across variable document types
- Modeled cost-benefit scenarios across accuracy thresholds, projecting \$154K–\$231K in annual savings

Cbs, Corporate Business Solutions | *Project Management Intern & Operations Intern*

Apr 26 - Present

- Optimized go-to-market strategy and client pitch delivery for the SAP Sapphire conference, an international event (18k+ attendees)
- Interviewed C-suite leaders to transform travel policies, implementing strategic systems and reducing T&E expenses by 15%
- Built a recruitment framework analyzing 30+ universities and 5 alternative channels to optimize talent acquisition.

Atlanta Airport Chamber | *Team Lead Consultant*

Sep 25 - Nov 25

- Segmented database of 1,308 total accounts using Python & SQL to provide actionable insights into customer retention drivers
- Presented a financial optimization strategy for membership tiers (pricing/benefit) with ROI projections (15x membership surge)
- Quantified ~\$170K incremental revenue upside and clarified the top retention drivers for leadership decision-making

LEADERSHIP EXPERIENCE

Society of Women Engineers | *Vice President of Finance*

Oct 25 - Present

- Managed chapter finances for 600+ members, overseeing ~\$120K in budget allocation and financial documentation
- Collaborated with the executive board to align chapter funding strategies and managed national/local conference budgeting ~ \$15k
- Directed semester-long fundraising initiatives and supervised two committee chairs to drive revenue goals

Vertically Integrated Projects | *Student Analyst/Researcher*

Jan 26 - Present

- Fall 2026: Incoming Equity Research Boutique student analyst
- Spring 2026: Redesigning Medication Labeling for Better Medication Adherence: A Visual Design Intervention and User Study

PROJECTS

- **Financial Dashboard:** Built a live market analytics dashboard ingesting OHLCV data across 11 GICS sectors with a modular ETL pipeline, cutting repeat query load time by 86% and generating client-ready correlation matrix exports.
- **California Behavioral Health & Unemployment Analysis:** Built a multi-source pipeline ingesting 170K+ rows of CSV, REST/JSON, and HTML-scraped datasets; engineered MHS1 utilization rate features; and ran linear regression and KNN models
- **M&A Deal Screener:** Scraped 500+ SEC EDGAR filings across 6 industries and applied EV/EBITDA, CAGR, and margin filters to surface 40 ranked targets, reducing analyst screening time from 8+ hours to under 45 minutes per cycle.
- **Cross-Sell Propensity Engine:** Engineered a Python and XGBoost classification pipeline to predict personal loan uptake using account behavior data, designing a simulation that reduced customer acquisition cost by over 60% and maximized marketing ROI.
- **Others:** Personal Portfolio Management, Gemini-Powered Interactive Travel Assistant App, Trading Club Market Analytics

SKILLS

- **Languages/Frameworks:** Python, SQL, MatLab, NumPy, Pandas, Streamlit, Matplotlib, Scikit-learn, PyTorch, FastAPI
- **Awards:** Leadership award from Villanova University, Best UI/UX at an international hackathon (400+ participants)
- **Fellowships/Case Competitions:** BCG Advance, Point72 2026 Spring Academy, New York Stock Exchange NextGen Bootcamp
- **Interests:** Indian Cuisine, Carnatic music, equity research, nature photography, video editing, graphic design
